The Owashtanong Islands Audubon Society is a not-for-profit 501(c)(3) organization. We offer educational and informative lectures and fellowship at our meetings held 6:00 PM on the third Tuesday of the month -- September through May – in Grand Haven at the Loutit District Library.

OIAS is pleased to share an exciting collaboration with the Muskegon County Nature Club (MCNC). MCNC will join us in Grand Haven for programs and OIAS will be joining MCNC for monthly field trips. Please check http://muskegoncountynatureclub.blogspot.com/ for more information about the Audubon club and for the dates of their field trips. We thank them for their co-sponsorship of programming and this collaborative venture.
