The Owashtanong Islands Audubon Society is a not-for-profit 501(c)(3) organization. We offer educational and informative lectures and fellowship at our meetings held 6:00 PM on the third Tuesday of the month -- September through May -- in Grand Haven at the Loutit District Library.

OIAS is pleased to share an exciting collaboration with the Muskegon Birding Connection. MBC will join us in Grand Haven for programs and OIAS will be joining MBC for monthly field trips.
